

## I-BAR

Top-quality professional espresso coffee grinders. Designed to work in extreme conditions with high coffee consumption. Quality, reliability, ease of use, quiet running and elegant design. A grinder to last a lifetime.

Micrometric grinding adjustment.  
The burrs are always working flat. (Adjustment with three springs)

Aluminium body. Removable stainless steel drip tray.

Unbreakable hopper.

Ring nut lock - coffee bean hopper lock  
(grinders with burrs Ø 83)

Two tampers: Ø 57 and Ø 53 mm.  
Aluminium fork for all kind of filter holder.
