

# Product Code: EP700SH 41-761

## Single door refrigerator short cabinet

---

The third generation of the EcoPro, the G3 cabinets are loaded with reliability, energy-saving, food safety and hygiene features.

## Features & Benefits

---

- All the benefits of the standard G3, but this product can fit through a standard (1960 x 760) doorway without tilting
- Suitable for low ceiling height applications
- Foster Shield provides advanced temperature control and hygienic design, protecting from the dangers of unsafe food storage. With air distribution optimised by CFD design technology, efficient operation is assured, even when shelves are fully loaded
- With PureControl, the G3's controller display uses pure LEDs, incorporating InGaN technology, which means it achieves higher resolution, lasts longer - all while using less power. Through the simple addition of a gateway, you're connectivity-ready
- Fitted with our new and improved +stayclear condenser which helps increase product life and reduce energy consumption, +stayclear helps your low energy fridge stay a low energy fridge. Now fitted across the cabinet and counter range as standard
- Market leading usable capacity, now supplied with 4 shelves as standard making your money go further – holds more than a conventional fridge
- Fully GN 2/1 shelving compatible
- Operates efficiently in ambient temperatures of up to 43°C
